Thursday May 15 th					
	OLYMPIA HALL	ATTICA HALL	CONFERENCE ROOM 1	CONFERENCE ROOM 2	ALEXANDRER HALL
08:45-09:00	LIVE>Welcome - Introduction				
09:00-10:00	EVES @ LIVE				
10:00-11:00	ESVS & SVS @ LIVE				
11:00-11:30	Coffee break				
11:30-12:15	SITE @ LIVE				
12:15-12:30	LIVE>INVITED LECTURE in Memoria of Prof. Dimitrios Tsetis				
12:30-12:45	LIVE>INVITED LECTURE in Memoria of Prof. Asterios Katsamouris	esvs			
12:45-13:15	LIVE>DEBATE				
13:15-14:00	Satellite lecture				
14:00-15:00	Lunch break				
15:00-16:00	ESCVS Thoracic aorta dissections - Do we have all the answers in the management?	ESCVS Endoscopic Cardiac Surgery	ESCVS Young Surgeons: Cardiac Surgery Abstracts	ESCVS Young Surgeons: Vascular Surgery Abstracts	
16:00-16:30	ESCVS Thoracoabdominal aorta - Causes of potential failure in the management		ESCVS Cardiac Surgery Abstracts	ESCVS Vascular Surgery Abstracts	
16:30-17:00	Satellite lecture	ESCVS Let's Go Hybrid			ESCVS ESCVS EC meeting
17:00-17:30	Coffee break				
17:30-18:00	ESCVS Carotid disease - Best medical treatment in asymptomatic patients and when to intervene/ which method?	Satellite lecture	ESCVS Cardiac Surgery Abstracts	ESCVS Vascular Surgery Abstracts	
18:00-19:00	ESCVS Critical limb threatening ischemia	ESCVS New guidelines and developments in cardiac surgery			
19:00-20:00					
20:00	Opening Ceremony and Welcome reception				

Friday May 16 th					
	OLYMPIA HALL	ATTICA HALL	CONFERENCE ROOM 1	CONFERENCE ROOM 2	ABBAY HALL
08:00-08:40		ESCVS Aorto-iliac occlusive disease - What do new techniques have offered?			
08:40-09:00			esvs		
09:00-10:00	Aortic Live PLENARY I: The Proximal Aorta, Aortic Arch	Satellite lecture	Workshop: Aortic Triathlon by EVST		
10:00-10:30		ESCVS Acute and/or chronic mesenteric ischaemia			
10:30-11:00					
11:00-11:30	Coffee Break				
11:30-12:00	Aortic Live PLENARY I: The Proximal Aorta, Aortic Arch (cont.)	ESCVS The role of new technologies in vascular procedures			Shared Workshop: Venous
12:00-13:00		ESCVS Diabetic foot management - What is new?			
13:00-13:45	ESCVS THE KIEFFER LECTURE & AWARD	ESCVS "State of the Arch" ESCVS Junior Committee & EVST (ESVS)			
13:45-14:15	Lunch Symposium				
13:45-14:45	Lunch break				
14:45-15:00		ESCVS New perspectives in aortic valve disease	ESCVS Oral Presentations: Aortic Disease	ESCVS Oral Presentations: Peripheral Artery Disease I	
15:00-16:00	Aortic Live PLENARY II: Aortic Arch, Thoracoabdominal Aorta	ESCVS Innovations in Mitral Valve Repair	ESCVS Oral Presentations: Coronary Artery Disease III	ESCVS Oral Presentations: Abdominal Aorta I	
16:00-17:00					
17:00-17:20	Coffee break				
17:20-17:30					
17:30-18:30	Aortic Live PLENARY II: Aortic Arch, Thoracoabdominal Aorta (cont.)	ESCVS Innovations in CABG	ESCVS Oral Presentations: Structural Disease I	ESCVS Oral Presentations: Peripheral Artery Disease II	
18:30-18:40		ESCVS Minimally Invasive Coronary Revascularization			
18:40-18:55					
18:55-19:00	Closing Note			ESCVS Oral Presentations: Abdominal Aorta II	
19:00-19:30					
19:30-20:00					
20:00	Faculty dinner				

Saturday May 17 th						
	OLYMPIA HALL	ATTICA HALL	CONFERENCE ROOM 1	CONFERENCE ROOM 2	ALEXANDRER HALL	ABBAY HALL
08:00-09:00	ESCVS New techniques for AV access	ESCVS ECMO, LVAD & Transplantation		ESCVS Vascular Surgery Abstracts		
09:00-11:00	The Houston Aortic Symposium					
09:00-11:00	Controversies in Acute Aortic Dissection					
11:00-11:30	Coffee break					
11:30-12:00	ESCVS Lifetime Achievement Award - Leriche lecture					Shared Workshop: PDA
12:00-14:00	The Houston Aortic Symposium					
12:00-14:00	Thoracoabdominal Aorta					
14:00-15:00	Lunch break					
15:00-16:00	ESCVS Abdominal Aorta & Iliac artery aneurysms - What's new?	ESCVS Recent Developments in Aortic Root Surgery	ESCVS Oral Presentations: Structural Disease II	ESCVS Oral Presentations: Thoracic Aorta		
16:00-16:25	Satellite lecture	ESCVS Surgical approaches in aortic arch surgery.				
16:25-17:00						
17:00-17:30	ESCVS The future of vascular education	Satellite lecture				
17:30-18:00	Coffee break					
18:00-18:30	ESCVS Vascular prosthetic graft infections: new diagnostic and therapeutic approach	ESCVS What' new in open Thoracoabdominal Aneurysm treatment?				
18:30-19:00						
19:00-20:00	ESCVS Modern approaches to Deep Venous Disease	ESCVS Pediatric and Congenital Cardiac Surgery				ESCVS ESCVS General Assembly
20:00	Gala dinner
